

Jr Camp Mini

Campfires every evening help campers experience one of the most legendary parts of going to camp. Spending two nights in the cabins can create some awesome memories. Junior Camp packs an amazing amount of fun into those 3 days. This is also a great camp to bring your parents along as counselors.

Family Camp

Cost \$25 per person or \$100 per Family

The best part of family camp exists somewhere between the fun activities for our children and the adult sharing groups that give encouragement and support to all of us. A flexible schedule allows many individual families to blend into one Body of Christ gathered on Holy Ground. Family camp is a great time to just relax and be a family. Slow down, swim in the pool, take long naps, and join together in family friendly worship in the evening. This camp provides opportunities for parents to talk to other parents while you have fun together and develop friendships. If your family is like most and could use a little more time together then plan to attend family camp this summer. If you plan to stay in the lodge rooms there is an additional charge of \$40.

Adult Canoe Camp

You are welcome to stay the night down in Chi Rho in the huts or bring your own camper/tent. Bring a friend or come by yourself, we'll make a spot for you.
